

PUT A LITTLE LOVE IN YOUR 'HOOD

Special Membership Drive - February 2018

Dear Neighbor,

From the sidewalks you stroll to the tree lined streets and architecture you love, WHCA has been helping since 1952 - for sixty five years - to make Waverly Hills the most welcoming urban village in Arlington. What better time than Valentine's Month to celebrate the importance of neighborhood! Please either renew your membership or sign up for the first time.

As you contemplate membership, think of how WHCA improves your quality of life - the colorful new playground equipment, chairs, and park benches/tables at Woodstock Park, the Easter Egg Hunt, the Halloween Parade, Movie Night Under the Stars, and the Woodstock Festival - all fun events that you enjoyed in the park. What about the holidays - the Halloween Décor Contest that brings so many people out on the streets, the charming Holiday lights, and Selfies/Photos with Santa at Glebe - all brought to you by WHCA volunteers!

Do you enjoy fresh, healthy eating? WHCA is the founding member of the Marymount Farmers Market The home baked treats at the Election Day Bake Sale are made by WHCA volunteers! Social media? WHCA started Next Door (WaverlyHillsVa.NextDoor.com) in Waverly Hills and offers you access to your neighbors via Next Door, Facebook and Instagram, as well as www.WaverlyHillsCivic.com.

Please sign up today and participate as a voting member of WHCA. A collective voice is a more powerful voice - there are many issues that WHCA has advocated on your behalf - the crossing light at Washington Boulevard & Utah, fixing potholes, water main breaks & signs, developing a safer walk to Glebe School, aging in place, expanding ART routes & Bike Share stations, and improved snow removal. WHCA is also the founding member of the Lee Highway Alliance!

Thank you for putting some love in the 'hood - you are a true neighbor and friend!
